FINE PROGRAM GIVEN AT 4-H CLUB MEETING

Includes Demonstration by Boy
Scouts, Music by Harmonica
Band and Quartette

A program of unusual merit including a bandaging demonstration by the Boy Scouts, musical selections by the Tullar school harmonica band, and a group of numbers by a girls' quartette, was presented before a large and appreciative audience at the regular meeting of the Evansville 4-H club held Friday night in the city hall. About 100 club members, leaders, parents, and Boy Scouts were present.

The Boy Scouts, under the direction of their leader, Arthur Devine, gave a most interesting first aid demonstration showing the correct methods of binding a fractured arm and leg and of bandaging head, leg, and arm wounds.

The harmonica band played "Farmer in the Dell," "Good Night Ladies," and "America" accompanied by Mrs. Ina Bly, organist, and Joyce Warren, six year old soloist.

The girls quartette, composed of May Jorgensen, Alice Odegaard, Wilva Woodworth, and Esther Phelps

Entries for the Rock County 4-H fair to be held in Janesville Aug. 25-27 will be made out at the regular monthly meeting of the Evansville 4-H club to be held at 7:45 p. m. Friday in the city hall.

As all entries must be checked by the Evansville director, Mrs. Hugh Robinson, and County Secretary Wiseman, the cooperation of all members, parents, and leaders is necessary to make the plan a success.

It has been suggested that each member make a list of what he intends to enter at home to facilitate matters at the meeting at which Mr. Wiseman will be present to assist. All posters for the Evansville poster contest are to be brought to this meeting.

REVIEW WILL AWARD CASH PRIZES IN 4-H CORN, POTATO EXHIBIT

During the past two weeks visitors at the Review office have viewed with great interest a display of potatoes and seed corn placed on exhibition by members of the Evansville 4-H club. Plates of Golden Glow and Murdock's Yellow Dent corn and Irish Cobbler and Rural New Yorker potatoes were on display.

Though the editorial force does not claim to be experts on judging these two all-important crops in this section, still we knew that they were mighty fine specimens and more so when it was taken into consideration that 4-H youngsters were the growers thereof.

We want to do our share in encouraging their efforts along these lines. Accordingly Tuesday of this week when E. E. Schroeder, publicity director of the Wisconsin Farm Bureau, dropped into the office on business for his organization, he was asked to judge the exhibits. He carefully examined the display and after due consideration of the merits of each finally handed down a decision from which there will be no appeal as we pledged ourselves to abide by his decisions and thus it is.

His decisions are as follows: Murdock Yellow Dent corn, Frederick Emery, first place; Wisconsin No. 7

decided to offer cash prizes as follows: Winners of first place \$1, second place 50 cents, third place 25 cents, and fourth place 25 cents. These awards will be paid to the youngsters themselves only on appearing at this office bringing with them a copy of the Review.

We want to congratulate the exhibitors for their industry and initiative in raising these fine displays. The trend of the present time is not to raise two blades where one grew before, but to raise a quality product where an inferior one was raised before.

Speaking of the interest and enthusiasm shown by the Evansville 4-H club, too much cannot be said about the co-operation and hard work of the 4-Hers and their parents and leaders. Only by united effort was the fair the success it was.

True sportsmanship was apparent all the time whether they were meeting with victory or defeat. It was wonderful, anyway you looked at it.

Our parade was made up of units showing the different projects and how all 4-H work sort of dovetailed together to "help keep dinner bells ringing." It was planned by the Director and carried out by project leaders and older boys and girls—each one trying to push their favorite project, for many carry more than one, and one as many as four different ones. Special thanks are due Mr. and Mrs. Willis Miller for their help.

We have 97 members and 95 were exhibitors at the Rock Co. 4-H fair, and nearly all out for the parade.

ACHIEVEMENT DAY TO BE SPONSORED HERE BY LOCAL 4-H CLUB

Plans for an achievement day to be held here sometime in November will be made at the regular meeting of the Evansville 4-H club to be held at 7:45 p.m. Friday in the city hall. Due to the fact that there are more than 1,000 boys and girls enrolled in 4-H club work in Rock county, it has been found impossible to hold a county achievement day.

With a total membership of 102, the Evansville club is the largest in Rock county and probably the largest in the state. It made an excellent showing with its exhibits at the county 4-H fair and at the Wisconsin state fair, and present indications are that practically everyone in the group will be achievement members this year.

It has been requested that all members turn in their record books on or before Oct. 1. Those wishing help will have the opportunity to discuss their problems at the meeting Friday night.

PLANS LAID FOR 4-H ACHIEVEMENT DAY HERE OCT. 23

Tentative plans for a local 4-H club achievement day to be held here in the city hall Friday, Oct. 23 were made at the regular meeting of the Evansville club held Friday night. The program, which is now being arranged, will include the awarding of the achievement pins.

All members have been requested to turn their record books in to Mrs. Hugh Robinson, director, before Oct. 1. The club meeting scheduled for Oct. 16 and those in November and December have been called off.

The county achievement day was discontinued this year due to the great increase in club enrollment. More than 1,000 boys and girls are enrolled in 4-H club work throughout Rock county. Of this number 102 are members of the Evansville club, the largest in the county.

The evening's program included two-minute talks on project work by nine members, a humorous calf demonstration presented by Howard Woodworth, Mark Brunsell, Alvin Golz, Bernice Golz, and Richard Jorgensen, and the presentation of a picture of George Washington by Chief of Police Fred Gillman. The picture was donated to the club by Congressman Thomas R. Amlie. The next club meeting will be held in the city hall on Friday, April 15.

4-H Club Makes Fine Showing at State Fair

A MESSAGE TO CLUB WOMEN OF WISCONSIN

Good Citizenship Needed In Our State. Clubs Should Watch Local Civil Elections

The decision of this administration to build its program around the young people of each community is a particularly happy one for the Dept. of American Citizenship. As is the community, so is the nation. The national standard is determined by the standard of its community units. Our first civic responsibility is to the community and we can thereby render our best service to the state and the nation. To make our program of citizenship effective we must repeat, time and again, our many activities. We must extend those activities step by step.

The object of this deviation is twofold: to increase the sense of patriotism and loyalty to our government and to make every woman an intelligent voter with a sense of the obligations which rest upon her as an American citizen. To this end every club should devote some part of its years program to citizenship. For over forty years the club has been a training school for women. Every department of the General Federation of Woman's Clubs is more or less connected with or dependent upon good citizenship.

We urge that every club woman take an intelligent interest in the kind

That the Evansville 4-H club made an excellent showing at the state fair is shown in the following report which was submitted to the Review this week by Mrs. H. H. Robinson, club director.

A demonstration team in room improvement composed of Elizabeth Spooner and Mae Jorgensen who were coached by Mrs. Harry Spooner, won state honors taking first place. This honor entitles the contestants to represent the Badger state at the 4-H club congress to be held in Chicago during the International Fat Stock show.

The demonstration, "Color and the Way We Use It," took first in the senior division at the Rock county 4-H fair and will be in competition with other state champion demonstrations at the club congress. Elizabeth Spooner, daughter of Mr. and Mrs. Harry Spooner, Union township, is completing her sixth year in 4-H club work. She is a senior at the Evansville high school.

Mae Jorgensen, a daughter of Mr. and Mrs. Ed Jorgensen, Union township, has had five years of club work, and is also a senior in high school. Both girls were included in the ten healthiest girls in the state contest.

Elaine Thomas of the Evansville club won second on a shoe bag and third on a combination suit at the state exposition. A representative of the Kerr jar company attended the 4-H fair and purchased three jars of fruit from Elaine for advertising purposes. Miss Thomas is continuing her

home economics work by enrolling at Stout Institute, Menomonie, which school opens Sept. 13.

Elizabeth Croak entered four dresses at the state fair winning third on a complete outfit, fourth on a summer dress, fourth on a remodeled dress, and first on a school dress. She is a freshman in high school.

The Templeton and Robinson brothers were very successful in showing sheep at the fair winning many individual prizes. They, with Lee George of the Magnolia club and Dale Kemp of Janesville, won county honors in the sheep club. Philip and Harold Robinson showed first and fourth prize Hereford calves.

COLOR DEMONSTRATION GIVEN BEFORE LIONS CLUB TUESDAY NIGHT

Miss Elizabeth Spooner and Miss Mae Jorgensen, both members of the Evansville 4-H club, presented a demonstration, "Color and How We Use It," at the regular meeting of the Lions club held Tuesday night in the Hotel Central.

The demonstration team won honors at both the Rock county 4-H fair and the Wisconsin State fair last fall. The state honor entitled the participants to a free trip to the National 4-H club congress held last month in Chicago.

Before starting their demonstration Tuesday night, the girls, both attired in white, each gave an introductory address. Miss Jorgensen explained that color is such an important factor in our daily lives that we even speak it. "We speak of dull, gray days, dark days, and blue days," she said. "We need colors to make us happy. Colors, like music, play a more important part in our lives today than formerly." Even Helen Keller has a definite idea of color.

In her address, Miss Spooner explained that color has three qualities; namely, hue, value and intensity. "There are four special ways of combining colors" she said. They are, using opposite colors for harmony, color to express warmth, color to express coolness, and a small amount of bright color to balance a large amount of dull or greyed color.

In presenting their demonstration the girls used a glass dish half full of water upon which they spread certain combinations of colors. On the surface of this they placed a sheet of paper which was marblized according to the colors spread on the surface of the water. Following the demonstration they explained the practical uses of the paper which can be used for covering book ends, book binders, letter holders, hat stands, waste paper baskets, and lamp shades.

Each of the girls recited an appropriate poem concerning their work

THREE LOCAL GIRLS GIVEN STATE HONOR IN 4-H CLUB WORK

Elizabeth Spooner and Elaine Thomas of the Evansville 4-H club and Elisabeth Howard of the Magnolia club have been chosen state honor achievement club members for 1932, according to information just received here from T. L. Bewick, state club leader.

Elizabeth Spooner and Elaine Thomas received the honor for their accomplishments in home furnishing projects while Elisabeth Howard was given the award for her outstanding work in clothing and bread and cake baking projects.

Each year not more than ten of the highest ranking members for each project are selected for the entire state. The awards are based on the work accomplished in the project, the record book, and the interest the member shows in the general club activities. Of the 33,742 Wisconsin boys and girls enrolled last year, but 136 were chosen as honorary achievement members.

Each of the honor members is presented with the state honor achievement pin which differs from the regular achievement pin in that it has the

4-H Club Banquet Is Outstanding Success

LOCAL BOYS WINNERS AT LIVESTOCK SHOW

Robinson, Templeton Brothers
and Lee George Make Fine
Showing at Expo

Philip and Harold Robinson, Arthur and Walter Templeton, and Lee George, all members of local 4-H clubs, made fine showings at the Junior Livestock exposition being held this week at the University stock pavilion in Madison, according to information received here.

The Robinson brothers won top honors in the fat lamb show. Phil was first in pen of lambs, with Harold second. In the single fat lamb class, the two Evansville boys led again but in reverse order, Harold first and Phil second. Walter Templeton topped the class in Hampshires taking first place.

In the Shropshire class Phil Robinson took first place, Arthur Templeton second, Harold Robinson third, Lee George seventh, and Walter Templeton tenth. In Southdowns first place went to Harold Robinson, third to Phil Robinson, fourth to Lee George, fifth to Walter Templeton, and sixth to Arthur Templeton.

In single fat lamb, which class was led by the Robinson brothers, Arthur Templeton was third, Walter Templeton fifth and Lee George, sixth. Philip and Harold Robinson who again won first and second in pen of lambs were followed by Lee George who took third, Arthur Templeton who was fifth, and Walter Templeton who was ninth.

Lee George was first with his Berkshire pig and eighth on pen of pigs.

Boasting of a 98 per cent achievement record, a total of 42 boys and 56 girls were awarded pins for completing projects at the annual achievement banquet and program of the Evansville 4-H club held Friday night in the Baptist church dining hall. The awards were made by R. T. Glassco, Janesville, Rock county agricultural agent, before a gathering of 208 members, parents, and friends.

The 100 per cent leaders, as announced at the meeting, are Mrs. Henry Porter, Mrs. Harry Spooner, Mrs. Harold Klusmeyer, Miss Ruth Allen, Miss Elizabeth Spooner, Miss Marion Booth, Miss Alice Odegaard, Robert Brunzell, Miss Eleanor Reese, Wade Woodworth, and Walter Templeton.

With Miss Mae Jorgensen acting as toastmistress, the evening's program opened with the 4-H pledge followed by an invocation by the Rev. L. M. Kitzmiller, pastor of the Baptist church. Russell Frost, junior editor of Hoard's Dairyman, Fort Atkinson, led the club members in songs, yells, and stunts during the dinner, after which he entertained with musical selections on a saw and addressed the club on the subject, "You and Your 4-H Clubs." In his address Mr. Frost complimented the club members on their past accomplishments and extended his congratulations to them.

Miss Alice Odegaard spoke at the meeting on phases of her club work after which the club presented Mrs. Hugh Robinson, director, with a pewter plate in recognition of her work as leader, and Mrs. Lee Milbrandt with a glass dish for her outstanding services in dramatics.

A group of five Evansville girls, who won awards in the dress revue at the county 4-H fair, also participated on the program displaying and describing their dresses which they wore. The girls were Wilva Wood-

What great accomplishments are being made by Evansville farm youths in 4-H club work can only be realized by those actually associated with the clubs. The club work is not only a credit to the members who are giving their time, thought and energy to complete their projects, but a credit to the community as a whole.

INCREASED INTEREST SHOWN BY NUMBER OF ENTRIES FARM GIRLS ACTIVE

Evansville Club, and Local Townships, Heavy Winners In All Lines

Local showmen and 4-H members are winning steadily at the state fair now in progress at Milwaukee. Places have been taken in the cattle and sheep judgings, the home economics department, the "healthiest girl" contest, and in the clothing judging team contest.

The 4-H placings include the Best Brown Swiss showman, Lee George, champion Hereford, Phil Robinson; sheep places, Walter Templeton, Arthur Templeton, Lee George, Harold Robinson, and Phil Robinson. Elizabeth Howard, teamed with Elmina Baumstad of Fulton, won the clothing judging contest. Mae Jorgensen and Elizabeth Spooner were picked in the "healthiest girl" contest.

In Senior competition W. G. Miles won first on an ewe in the Hampshire class and J. C. Robinson and son took first and third on yearling Hereford bulls, fifth on Senior bulls, fourth on Junior yearling bulls, and fifth on a calf.

Mrs. John Kennedy first in both the open and restricted classes in the

test.

4-H Teams Big Winners County Fair

No better evidence can be found that the young people of our state are fast changing their minds as the importance of the farm, not as a job, but as a vocation, than the interest shown in the county 4-H fair, last week. There were hundreds of entries in all lines, the girls showing as much interest, and proving by their exhibits that they had worked as hard in the past year as the boys.

The beauty of the 4-H movement in America, is that it is not only growing and spreading all over our own state, but is sweeping the country, taking the place of the old county fairs and horse races, which were so popular a decade ago. It is a well known fact that what is inculcated in the minds of the young, never leaves them, so, this 4-H work, which is endearing the farm, through its possibilities and victories, to the young farm boys and girls, will rear a set of farm family heads which will be more successful in the business of farming than their parents have before them.

The colleges, schools, county agents, etc., are giving the young people of today opportunities which their parents never had. And, judging from the interest they show in their 4-H fairs, and clubs, they surely are taking advantage of the opportunities offered them. The following are the winnings of the local clubs, as far as reported to this office:

Evansville 4-H Club Will Hold
Annual Event in Baptist
Church October 20th

The annual achievement banquet and program of the Evansville 4-H club will be held at 7 p.m. Friday, Oct. 20 in the Baptist church parlors, according to Mrs. Hugh Robinson, club director, who is completing plans for the event this week. The evening's festivities will open with a dinner followed by an appropriate program, the presentation of achievement pins, and the announcement of the 100 per cent leaders.

The awards will be made by R. T. Glasco, Janesville, Rock County agricultural agent. The club had a 100 per cent achievement record last year with all of its members receiving pins for completing their projects. The percentage for this year has not been determined as yet, but will be announced at the banquet.

To be an achievement member, one must have completed one or more projects making at least one exhibit for each, and must have turned in a complete record book for every project. The county achievement banquet was discontinued two years ago due to the great increase in the club enrollment. More than 1,000 boys and girls are enrolled in 4-H club work throughout the county and of this number 100 are members of the Evansville club, one of the largest in the county.

worth, who won first place in the senior dress division, and Marjorie Thomas, Maxine Moore, Mary Franklin, and Ethelyn Green, who won first, second, third, and fourth places respectively in the junior division.

What great accomplishments are being made by Evansville farm youths in 4-H club work can only be realized by those actually associated with the clubs. The club work is not only a credit to the members who are giving their time, thought and energy to complete their projects, but a credit to the community as a whole.
