SCOUTING

the American Way

When the Boy Scouts of America celebrates its 30th birthday on Thursday, February 8, all of the 1,330,000 Scouts, Cubs and Scout leaders will re-dedicate themselves to the service motive which has characterized the Movement for three decades. Scouting offers adventure, fun and achievement—attractive to all boys—through the democratic life of the Scout Troop and Patrol, as essential ingredients in its character-influencing program for the boys of America. Drawing on the rich experience of the Movement, local and national Scout leaders anticipate the opportunity to serve more boys annually.

4-H OFFICERS TO BE SEATED NEXT WEEK

Evansville Club to Hold Annual Installation Ceremony in City Hall Feb. 16

The newly elected officers of the Evansville 4-H club will be installed at the next regular meeting of the group to be held at 8 p.m. Friday, Feb. 16, in the city hall auditorium with Mrs. Potter Porter presiding as installing officer.

Those to be seated are Maurice Reese, president; Kenneth Norby, vice president; Charlotte Brunsell, secretary; and Marvin Devlin, treasurer.

Evansville boy scouts who have been celebrating the 10th anniversary of their national organization will culminate a full week of activities tonight when they will be entertained at a movie party by the Regal theatre.

The week's anniversary celebration opened last Friday at the Regal auditorium with a guest night program for members and scout fathers.

A hunter's stew along with bread, butter, and coffee prepared by Bert Powers, scout camp chef, was served to some 50 guests after which movies of the 1939 scout camp at Lone Rock were shown by Ben T. Green. The main diversion of the evening was the playing of five hundred and rummy.

The week's celebration continued Saturday with a mystery hike to Death valley, three miles northeast of the city. The trail of the hike was laid at 8 a.m. by George Breckenridge and Fred and Alwyn Utzig who chose the Brown school as the first stop for the solving of a first aid problem.

In continuing the trail led to the ski jump on the Searles farm and thence across fields to the valley where George Dreher, son of Mr. and Mrs. P. F. Dreher, discovered the hidden treasure, a bag of candy. Scouts cooked their own dinner in the valley but suspended further activities there due to the deep snow.

The religious phase of the week was observed Sunday morning when scouts attended the Methodist church in a body to hear the Rev. T. C. Nagler's sermon on "Light." The service was attended by 35 scouts who assembled beforehand at the city hall.

Members of the Skunk Patrol composed of John Antes, Jack Krull, Bill and Bob Brunzell, Albert Holmes, George Breckenridge, Ed and Ray Sherman, and Phil Roberts were guests of honor Monday night at the weekly banquet and meeting of the Evansville Lions club. Three members of the patrol are Eagle scouts; namely, Breckenridge, Krull, and Bill Brunzell.

INDIAN TRAILS DRIVE OPENS HERE TUESDAY

Captains and Field Workers to Start Day's Campaign With Early Bird Breakfast

The annual Indian Trails Boy Scout council drive will open here Tuesday with an early bird breakfast to be served at 6:45 a.m. in the Masonic temple where team captains and field workers will receive instructions as to whom to solicit.

Attorney J. Spencer Pullen is acting as general chairman of the campaign this year which is a nation-wide movement in connection with Boy Scout week.

The guest speaker at the breakfast next Tuesday will be Gerald W. Shipman, Janesville, scout executive of the Indian Trails council.

The team captains and field workers being chosen this week by Chairman Pullen will assemble at the breakfast and afterwards make a city-wide canvas for funds for the council. Evansville citizens are urged to donate as liberally as possible when solicited.

Scouts Preparing For Annual Camping Period

In an effort to raise funds for its annual summer camp, the Evansville Boy Scout troop under the leadership of Scoutmaster George Greenway will open an advance ticket sale here next week for "Young Tom Edison" starring the celebrated Mickey Rooney, to be shown as a benefit at the Magee theatre on Sunday, Monday, and Tuesday, June 2, 3, and 4.

"To insure the Evansville scouts of a week's camping period next month, we'll have to raise at least \$150 between now and the camping season and the sum realized from this benefit movie is expected to help materially in reaching this goal," said Scoutmaster Greenway in commenting on the scout finances.

"We expect to take about 45 boys this year to the camp which again will be located on Long lake at Lone Rock, about 70 miles west of Madison. The camping period will open Sunday, June 16 and will continue through the following Saturday.

Tickets for the benefit movie will be sold by the scouts at 25 cents and judging from the attendance at previous scout attractions, a record crowd will be on hand to see the show.

EVANSVILLE'S WATER RATE AMONG LOWEST LISTED IN STATE

In a comparison of net bills for water consumers in Wisconsin communities published in the last issue of The Municipality, Evansville's rate was listed among the lowest for cities of from 2,000 to 3,000 inhabitants.

The average residential bill for the 28 municipal water utilities in the group was \$1.68. Evansville residents pay only \$1.65. The local utility is one of the lowest in the state while

Evansville To Be Host At Boy Scout Camporee

The Indian Trails council of Boy Scouts is completing final plans and preparation for its fifth annual camporee to be held tomorrow and Saturday at Leota park here.

Phil D. Pearsall, past president of the council and a member of the local troop's executive committee, has been chosen camporee chairman and is lining up judges and officials to preside over the contests and pass on the efficiency of the scouts as campers and outdoorsmen.

The program here will include tent pitching, fire building, axemanship, camp cooking, first aid, signaling, and other scout tests. A stunt camp fire has been planned for tomorrow night with each patrol presenting an act or troop pageant before the crowd.

On Saturday morning each patrol will participate in an efficiency contest involving all phases of scouting. This will be varied by periods of swimming under a special corps of life guards organized for the occasion.

The area Court of Honor will be held Saturday afternoon. Scouts who have qualified for advanced ranks will be recognized at that time. Every scout who participates in the camporee will receive shirt badge and all troops qualifying in the events will be given trophies illustrating their accomplishments.

Residents of the city are invited to witness the scout activities at the park which will be the scene of a tented city resembling a military camp tomorrow night.

OBEY SAFETY RULES IS APPEAL OF CITY NURSE TO SWIMMERS

The arrival of the bathing season at Lake Leota here has prompted Miss Ruth Chase, city nurse, to urge Evansville swimmers not to disregard the common safety rules.

"Evansville has a popular bathing beach and for the hundreds who take no foolish risks this summer, the swimming season will be a glorious one of pleasure and good health," she says.

"Swimming is one of the most healthful forms of recreation and does more for symmetrical physical development than any other sport because there is scarcely a muscle of the body that is not exercised.

"However, there will be some swimmers who will remain in the water too long, swim out too far, or go in soon after eating. If the swimmer leaves the water when he begins to tire there will be little danger of over exertion.

200 Scouts Pitch Camp Here For Annual Rally

Leota park assumed a military atmosphere Friday and Saturday when nearly 200 scouts together with 35 leaders from Jefferson, Whitewater, Fort Atkinson, Janesville, Milton Junction, Footville, Lake Mills, and Evansville assembled here for the fifth annual camporee of the Indian Trails council.

Phil D. Pearsall, past president of the council who was in charge of the local arrangements extends thanks to the city, water and light department, and park board for the courtesies extended which aided materially in making the camp an outstanding success.

The camp was pitched in the southeast section of the park which was transformed into a tented city within a few hours following the arrival of the troops Friday morning.

The camporee opened with tent pitching, fire building, axemanship, camp cooking, first aid, signalling, and other scout tests and continued Friday night with a brilliant and colorful torch parade through the business district of the city.

Closing the opening night's festivities was a stunt camp fire program by the lakeshore band platform where Ben T. Green, past commander of the local Legion post, presided as master of ceremonies. In participating, each patrol presented an act or troop pageant before the brilliant camp fire.

National Boy Scout Week Feb. 6 - 12

For ten million men and boys in America this week, February 6 to 12, is an anniversary. Thirty-two years ago the Boy Scouts of America was founded. The groups of twelve to fifteen year olds who rallied to the Scout banner during that first year was small. But each year saw more and more boys being touched by the Scout Oath and Law.

The first year a scattered few Scouts—41,495—all told—had the advantages of Scouting. But by 1915 almost a half million boys had enjoyed the great game of Scouting—282,043 were active and a slightly smaller group had "graduated," as it were.

The growth of the Boy Scouts of America has been steady ever since. Each year more boys come within influence of Scouting. Naturally many boys joined the ever increasing number of young men who had been Scouts. And because they had been Scouts they were better citizens. This number continues to grow until today ten million men and boys represent the circle of direct influence of Scouting.

Thus it is that not only are the million and a half active Boy Scouts and Scouters celebrating the thirty-second birthday of Scouting, but the eight and one half million alumni of Scouting also have a claim in the birthday festivities.

Most former Scouts still hold with the Scout Oath and Law, and hope their sons also will say:

"On my honor I will do my best—
To my duty to God and my country,
and to obey the Scout Law.
To help other people at all times.
To keep myself physically strong,
mentally awake and morally
straight."

Evansville Youths Pass Tests To Become 2nd Class Scouts At Camp Rotamer

Dr. J. M. Ames and Scoutmaster George Greenway attended a Boy Scout court of honor in Janesville last Sunday and were accompanied home by 13 local scouts who spent last week at Camp Rotamer.

As well as enjoying the camping period, the boys made marked progress in scouting and many were advanced in rank and were awarded merit badges.

Those from Evansville who became second class scouts were Jack Deiniger, Gerald Andrew, Dick Johnson, Jim Kaltenborn, Roger Sell, Roland Straka, Dick Antes, Rowland Smith, Ronald Johnson, Ted Estes, Charles Romstad, John Tomlin and Jim Babcock. In archery Jim Kaltenborn got Bowman 1st rank, and Dick Johnson, Yeoman. Cabin No. 3, which was occupied by Evansville boys, was named the banner cabin. Those in the group were Gerald Andrews, Rowland Smith, Roger Sell, Jim Kaltenborn, Charles Romstad, Ted Estes, Jack Deiniger, and John Tomlin.

At the Court of Honor Sunday, Scoutmaster Greenway was awarded a pin and certificate for 14 years in scouting, and Dr. Ames received a pin and certificate in scout work. He is the 633rd man to become a 30 year veteran.

Dr. Ames began his work in scouting during the first years of its organization and for 30 years he has invested his time, thought, energy and skill for the benefit of others. It has been a truly worthwhile investment. Local Scouts have been fortunate during the past 30 years in securing the support of a man who has stayed with scouting during that time.

Dr. Ames has had many experiences and has gained a broader vision and better understanding of scouting from year to year. Mr. Greenway who also devotes much time to Evansville Boy Scouts, will receive his 15 year awards next year. The scouts will enjoy a weekend in camp at Lake Kegonsa soon.

"Skunk" Patrol Flag Arrives In Evansville

Emblem Returns To Scoutmaster After Extended Trip In U. S. And Europe

Scoutmaster George Greenway received a patrol flag last Thursday from Europe which he sent over there last January to secure the signatures of several former Boy Scouts, members of the Skunk patrol, now serving in the armed forces.

The patrol was organized in 1933 and its flag has a history in that it has traveled all over the states and a large part of Europe. It went to the National Scout Jamboree in Washington, D. C., in 1937, and prior to its trip across the water, it was taken to the west coast and returned here.

Mr. Greenway sent it to Cpl. Albert Holmes in England last January. He received it in March, signed it and sent it on to Cpl. Robert Brunzell in France. Upon receipt of it in June Robert forwarded it to his brother, Cpl. William Brunzell in Germany. He got it in August and returned it here to Mr. Greenway.

Other patrol members are Sgt. Edward Sherman, recently returned from the Aleutians; Cpl. Lee Richardson and Arthur Phillips, in the Pacific area; Sgt. Gene Greenway, in the armed forces stationed in Detroit, Mich., and Pfc. Ray Sherman, a liberated German prisoner, who joined the patrol some time after it was organized. Another member, M/Sgt. Ted. Greenway, was killed in action in Africa nearly three years ago.

The following paragraphs were copied from an issue of the Review printed...

ation of this newly organized branch of the Boy Scouts in Evansville. What will happen to the new novices, Art Phillips and Jack Krull, can be better imagined than told. Others who joined at later dates were John Antes, George Breckenridge, and Phil Roberts. Among the members of the patrol are three Eagle, one Life and six Star Scouts.

"The A.A.O.S. was formed in January by members of the old Skunk patrol of Evansville Troop 1, Boy Scouts of America to perpetuate the traditions symbolized by Odora, the flag which came into being when the Skunk patrol was founded in Dec. 1933. Ed Sherman is the "Chief Odor" (the equivalent of president in more prosaic terms), Bill Brunzell in "Little Stink" (vice president), and Albert Holmes is "Keeper of the Stench" (secretary). Other charter members are Ted and Gene Greenway, Bob Brunzell and Lee Richardson. Scoutmaster George Greenway occupies an honorary position, the official designation of which has not yet been conceived.

"Since the old Skunk patrol ceased to exist and its members assumed places of leadership in Scouting, the Odora flag bearing the black silhouette of a skunk on a field of white, has continued to be a cherished banner of Evansville Scouts. Carried to the National Scout jamboree in Washington, D. C., last summer, it has in a little more than four years traveled between 25,000 and 30,000 miles as the standard of various Scout pilgrimages and skies. It is now tenderly preserved under glass in a special case in the Scout quarters having recently been placed there with nothing short of an elaborate candlelight ceremony.

"The new order is restricted to first class Scouts who have passed their 15th birthday and to keep in good standing...

The following paragraphs were copied from an issue of the Review printed March 3, 1938: "There will be strange doings in the Boy Scout rooms of the city hall tonight. For the past week two boys have been appearing about two with lapel badges bearing the rather startling statement, 'I stink.' Tonight they become full fledged members of the Ancient Aromatic Order of Skunks. The occasion is the first initi-

ate candlelight ceremony.

"The new order is restricted to first class Scouts who have passed their 15th birthday, and to keep in good standing its members must earn at least one merit badge every 90 days. Its underlying purpose is not as facetious as its title and form of organization might indicate. It is to serve as a steering group for the main Scout body by planning the program of the troop's activities."

BOY SCOUT WEEK

Nearly 2,000,000 Cub Scouts, Boy Scouts and Senior Scouts will observe the 37th anniversary of the Boy Scouts of America during Boy Scout Week, Feb. 7th to 13th. Through their World Friendship Fund of voluntary gifts the Boy Scouts of America have given \$110,464.36 to help Boy Scouts overseas rebuild their organizations. During the first year of their "Shirts-Off-Our-Backs" project more than 400 cases—or twenty tons—of Scout Uniforms and equipment collected from Scouts were contributed to Scouts in 13 nations. Scouting has always been an active force in promoting better understanding and mutual goodwill among the nations. Above is the official poster marking the event.

Evansville housewives are requested to put out their bundles of paper Saturday morning. Those who cannot find the cement curb in front of their homes may place the bundles on the snow banks and the boys will be sure to see them.

FINANCE DRIVE FOR SCOUTS TO BE HELD MAY 20

According to the steering committee, everything is set for the Early Bird Breakfast, which is the opening kick-off of the Scout Finance drive to be held here Tuesday, May 27.

Each solicitor will have approximately eight persons to see during the day. Of course, many of the men will be seen at the breakfast, as there are well over ninety expected to sit down to the tables in the Masonic Hall at 6:15 a.m. Tuesday the 27th.

The campaign has a goal of in excess of \$550.00 to raise for the scouting movement of Evansville and county office. This includes the cities share of the Indian Trails Council.

The breakfast which will be served by the steering committee and the nine captains will consist of fruit juice, breakfast food, donuts, coffee, cream and sugar. The steering committee is Dr. J. W. Ames, J. B. Green and P. D. Pearsall, while the captains are Leo Brunzell, D. F. Finnane, Jr., W. H. Bewick, S. K. Day, W. E. Brown, Howard Becher, Lee Richardson and William Dixon.

It is expected that Arthur Freudenberg, Indian Trails Council executive, will be here to add a little pep to the shove-off.

Scout Finance Drive Gets Under Way Tues.

About 80 Men To Sit Down To Breakfast At Masonic Temple At 6:15 A.M.

Well, everything is set for the finance drive for funds for the local Scout troop as well as the financial assistance to the Indian Trails Council in Janesville, to be held next Tuesday, May 27.

The captains have been chosen, then men have been selected, and the cards are all ready for the distribution, and the breakfast committee say that they have the food that will put the necessary pep into the men at the breakfast to give them the impetus to put the drive over the top by noon. While we doubt the latter statement, it is hoped that a large part of the work will be accomplished by that time.

Donations Are Divided Between Indian Trails Council, Boy Cub And Girl Troops

Starting with an "early bird" breakfast in the Masonic temple at 6 a.m. Tuesday a group of 91 Evansville men including P. D. Pearsall, Dr. J. W. Ames and J. B. Green, general committee; nine team captains and 79 solicitors are canvassing the city of Evansville to raise money to carry on the Scout work here and assist the Indian Trails council in its work of aiding and supervising troops in this part of the state.

To say that the results of the drive were satisfactory would be putting it too mildly. The response to the committees call for team captains was 100 per cent and all team leaders were gratified with the manner in which the solicitors accepted and performed their duties.

A city-wide canvass is being made under the following captains: Leo Brunzell, D. F. Finnane, Jr., W. H. Bewick, F. D. Graves, W. E. Brown, Howard Becher, Lee Richardson, William Dixon and Carroll Bly. Approximately 50 per cent of the money collected will remain in Evansville to be used for the Boy Scouts, Girl Scouts and Cub Scouts. The remaining half

and Cub Scouts. The remaining half of the collections will go to the Indian Trails councils headquarters in Janesville. The council has been organized in that city for many years and has gone much to assist the troops in this locality.

The troops served by the Council include Evansville, Janesville, Milton, Milton Junction, Edgerton, Jecerson, Whitewater, Lake Mills and Ft. Atkinson. J. B. Green, Evansville, is a member of the camping committee and Dr. J. W. Ames, also of Evansville, is on the scout council.

Evansville has about 100 boys and 150 girls interested in scouting and it must have been a source of satisfaction to those who donated in the recent drive to see so many boys and girls in the parade last Friday Memorial day. A large percentage of the boys and girls in the band are scouts. F. T. Durner served as treasurer of the drive and all money was turned over to him, who in turn placed it at the disposal of Dr. J. W. Ames, treasurer of the local scouts.

Scouts To Collect Paper Friday A. M.

Housewives Requested To Put Bundles On Curb In Front Of Homes

Early Friday, tomorrow, morning the Evansville Boy Scouts will be on the streets of the city collecting paper and all local housewives are requested to deposit their bundles on the curb in order that the boys may make their collections as speedily as possible because they will be a busy group this weekend preparing for, and getting off on their annual camping trip which will start Sunday.

Every Evansville citizen who has saved paper for the Boy Scouts this year can rightly feel that he has played a part in giving the boys a good time at camp. The paper the Scouts have picked up and saved and later sold has furnished part of the where-with-all to finance the looked-forward-to trip to Long Lake at Lone Rock. The slogan is "Get Your Paper Out Early Tomorrow."

CUB SCOUTS HOLD FIRST MEETING HERE

At an organization meeting held Thursday evening in the basement of the Congregational church, the Evansville Cub Pack was put into operation for the coming year. Cub Master Harry Roderick, Jr., was in charge of the meeting, which was attended by about 50 cubs and parents. Walter Nitcher has assisted Mr. Roderick during the past year.

Lester Patterson led group singing and the songs were taken from the new books recently purchased for the pack. Charles Shelby donated \$10 to purchase awards for the cubs. During the evening each den put on a stunt, all of which were along a Hallowe'en theme.

The theme of the November meeting will be collections which will include fall leaves, various kinds of wood and other articles of an outdoor nature. Members of the dens will take hikes during the next few weeks to make their collections. Plans are being made by den mothers and other parents for a food sale to be held in Smith's Mar-

by den mothers and other parents for a food sale to be held in Smith's Market, Saturday, Oct. 16. Since the Cubs do not solicit funds in any other manner it is hoped that the proceeds from the sale will be ample to purchase leather and other materials for handi-craft work this winter.

Following are the den mothers who have volunteered to serve this year, Mrs. Don Wickersham, Mrs. M. D. Fish and Mrs. Charles Shelby, co-workers, Mrs. C. J. Powles, Mrs. Gordon Jones, and Mrs. Willard Propst. More mothers are needed as the dens are over-crowded.

Several new members attended the meeting Thursday evening for the first time, and it is still not too late to join for this year. Boys 9 to 11 and those who will be 9 before Dec. 1, are invited to become members and may do so by contacting the Cub Master or Howard Becher. Help with the Cub Scout work will be appreciated at all times. The Cub Scout flag has been misplaced and the boys are anxious for it to return to its accustomed place. It was used in parades the past summer and is probably now reposing in some one's home.

LOCAL SCOUTS TO CELEBRATE 39TH BIRTHDAY

Plan Activities For Next Week Opening Sunday With Church Rite

Scouting in Evansville Dates
Back Nearly Four Decades;
H. Robinson New Master

In that next week will be Boy Scout week throughout the nation and that the groups will be observing their 39th anniversary, the Evansville boys under the direction of Scoutmaster Harold "Rusty" Robinson are making preparations to appropriately observe the founding of the movement in America.

The Scout activities will open here Sunday when the troop assembles at the city hall at 10:30 a.m. to attend the 11 o'clock worship service in St. John's Lutheran church where the Rev. A. M. Romstad will deliver a sermon of special interest to the boys. Another activity which the boys are planning for next week is the exhibition of scout work in one of the downtown store windows where their parents and friends and Evansville citizens may see the work they accomplish in attending the meetings and passing tests.

Scouting as a national organization was officially launched in 1908 and Evansville was among the first cities to form a troop. The Rev. Golder Lawrence, local pastor, was one of the first Scoutmasters here. He was followed by the Rev. O. W. Smith, who was pastor of the local Congregational church for several years. Next came A. H. Devine, who was master for many years, then George Greenway,

A. H. Devine, who was master for many years, then George Greenway, who resigned last fall after several years and now "Rusty" Robinson, recently appointed master.

During the years of scouting in Evansville, the masters have had good help from their assistants and others who have served on the scout board as well as the Lions club and other organizations and citizens and parents. Cooperations of the Scouts has also gone a long way to make scouting a permanent and active organization in Evansville. A few years ago the local troop joined the Indian Trails Council, whose headquarters are in Janesville.

When the silver jubilee of scouting was celebrated in 1935, nearly seven million boys in the nation had joined the Scouts. Many of them, even then were full fledged citizens and were playing their part in the great game of adult living, playing it as they played scouting, loyalty, finely, helpfully, responsibly and cheerfully. And, now 14 years later the number of Scouts has increased to an amazing figure.

America is the better for Scouts and should pause and remember that the movement is one to be really thoroughly pleased with, to be proud of and grateful to and for.
